Subject: The University's English Name Change to Hanoi University of Science and Technology (HUST)

Dear Sir/Madam,

Hanoi University of Technology presents our compliments to your university/institute/association/company and would like to express our sincere thanks for your long term and efficient cooperation.

It is my pleasure to inform you that with an aim to further promote scientific research and training activities besides technology transfer to develop the university as a research focused university, the management board of the university has decided to change the name of the university in English to **Hanoi University of Science and Technology (HUST)** since May 18th 2010 in stead of the former Hanoi University of Technology (HUT). Despite the change in English name, our Vietnamese and French names remain the same as "Đại học Bách Khoa Hà Nội" and "Institut Polytechnique de Hanoi" respectively.

Please be advised that our website is now still www.hut.edu.vn as we are waiting for the new domain name. Furthermore, I would like to confirm that all the written documents as MoU, agreements, contracts signed with our university before May 18th 2010 under the name of HUT remains valid for the whole term stated in the documents.

Thank you again for your cooperation. I sincerely hope to have our cooperation further promoted and strengthen in the next phase under our new name of HUST.

Sincerely,

Prof. Nguyen Trong Giang
President
